September 23, 2015

Dear Staff and Parents,

On August 13, 2015, I forwarded to you a letter explaining the following two initiatives that the Burrillville School Department would be implementing:

- Establish a Redistricting Advisory Committee to review district lines to equalize projected enrollments between Steere Farm and William L. Callahan schools. Additionally, we will review/analyze school space, capacity, grade structure, enrollment/demographic data projections, and fiscal impact.
- The Central Office Administration, in conjunction with each school, will present a PowerPoint presentation at each school highlighting the achievements of each department and each school. The PowerPoint presentation will include the following:
  - School Achievements
  - District Achievements
  - Technology Initiatives
  - Student Personnel Services Review/Update
  - Curriculum Updates
  - Financial Review
  - School Safety Update

We have confirmed the following **PowerPoint Presentation Schedule** at each school:

<u>School</u>	<u>Day/Date</u>	<u>Time</u>	<u>Location</u>
BMS	Tuesday, October 20	6:00 pm	Auditorium
SFE	Tuesday, November 3	6:30 pm	Gymnasium
ATL	Thursday, November 19	6:00 pm	Cafeteria
BHS	Tuesday, December 1	6:00 pm	Auditorium
WLC	Wednesday, December 2	6:00 pm	Gymnasium

**The presentation, including questions, will not exceed 90 minutes.** We firmly believe in transparency and we firmly believe that every child can achieve to their maximum potential. A child's best opportunity to be successful is when the home and school work together.

We must value our achievements, target our weaknesses, and strive for excellence through self-determination, compromise, and collective problem-solving.

**Hope to see you at the PowerPoint presentation.** Your attendance is greatly appreciated.

As always, thank you for your continued support. The Principal will forward you a reminder prior to the PowerPoint presentation.

Sincerely,

A handwritten signature in cursive script, appearing to read "Dr. Pallotta".
